Friday Class: Beginner Intensive: Have you always wanted to participate in a belly dance workshop but didn't feel that you were an advanced enough dancer to take the class? Nourhan has planned a class especially for you. In her Friday afternoon beginner intensive, she'll review basics of Egyptian style belly dance to make you feel more comfortable in the workshop setting.

Saturday Drum Solo Technique: Do you have a drum solo piece that you'd like to use for performance but you find yourself doing the same moves over and over? This personalized drum solo class is for you! Bring your music and Nourhan will work on technique with the whole class and then make suggestions for your music. (2 hours of instruction)

Saturday Egyptian Technique and Combinations: Back by popular demand, this class will feature Nourhan's elegant technique, energy, stage presence, and articulation in the traditional Egyptian style. Strengthen your technique and expand your dance "vocabulary" with Nourhan's exciting combinations. (2 hours of instruction)

After years of touring, Nourhan is saying farewell to teaching on the road. Nourhan appreciates the enthusiastic welcome she has always received in Ohio, and specifically wanted to include our Ohio dance community in her farewell tour. This will be your last opportunity to take classes locally with Nourhan— don't miss out!

***Workshop space is limited. Register early to reserve your place in the seminar! If you wish to perform you must participate in the Saturday workshop.**
